From Program:

Mindset Over Methods (Session VI from 11:00 AM - 11:45am Strand: B)

Dr. John Brown, University of Massachusetts Lowell

Changing one's mind is not as simple as it sounds, and it is not only possible but_ more necessary than ever for teachers. Our reliance on best practices, strategies, practices, protocols and methods will only take us so far. It is our mindsets that will transform our worst instructional problems into greatest pedagogical opportunities.
