

Ingredients for Making Lowell's Textile Industry

Take notes on the six "ingredients" your classmates have identified as important to the development of Lowell's Industrial Revolution.

Ingredients	Notes

Discuss with your group which “ingredients” were most important (1 = most important to 6 = least important) for creating the successful textile industry in Lowell. See if you can generate a list that you all agree with. Please record your thoughts and arguments below.

Order of Importance (1 = most important)	Thoughts and Arguments to support your decisions
